

## Documentatie tehnica Hidrofor Aqua Power 3009S, Pompa de gradina Ruris Aqua Pump 1100S

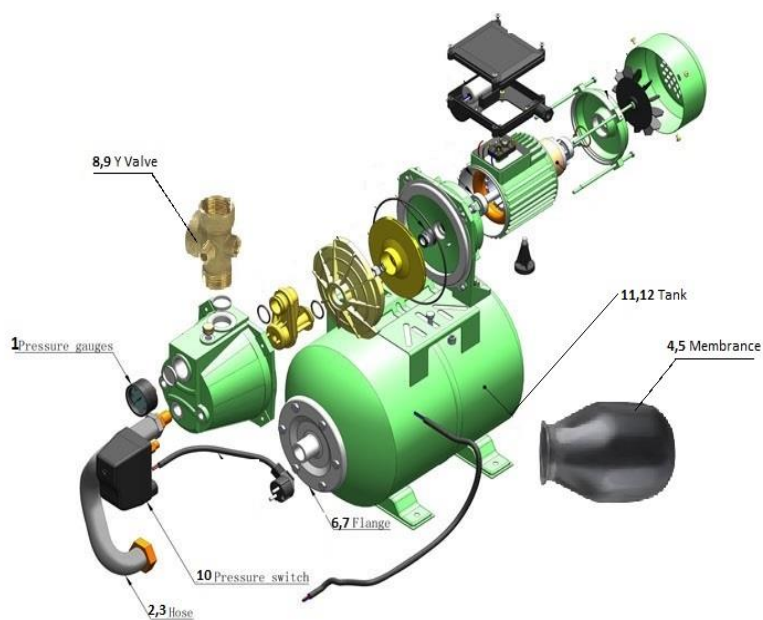

| Nr. Crt | Denumire produs   | Product name             | Cod comanda |
|---------|-------------------|--------------------------|-------------|
| 1       | corp pompa        | pump casting             | psh3009s-1  |
| 2       | buson amorsare    | Drain plug               | psh3009s-2  |
| 3       | O ring            | o ring                   | psh3009s-3  |
| 4       | duza              | nozzle                   | psh3009s-4  |
| 5       | tub venturi       | venturi pipe             | psh3009s-5  |
| 6       | difuzor           | diffuser                 | psh3009s-6  |
| 7       | piulita           | Impeller Stop Nut        | psh3009s-7  |
| 8       | O ring            | O ring for diffuser      | psh3009s-8  |
| 9       | turbina           | Impeller                 | psh3009s-9  |
| 10      | etansare mecanica | Mechanical Seal          | psh3009s-10 |
| 11      | O ring            | O ring for Pump Body     | psh3009s-11 |
| 12      | suport pompa      | Pump Support             | psh3009s-12 |
| 13      | Șurub             | Screw For Pump Body      | psh3009s-13 |
| 14      | Splash Guard      | Splash Guard             | psh3009s-14 |
| 15      | rulment           | Ball Bearing             | psh3009s-15 |
| 16      | rotor             | Shaft and rotor          | psh3009s-16 |
| 17      | rulment           | Ball Bearing             | psh3009s-17 |
| 18      | Stator            | casing with wound stator | psh3009s-18 |
| 19      | cutie             | Capacitor Holding box    | psh3009s-19 |
| 20      | cutie             | Washer for terminal box  | psh3009s-20 |
